Dear Doc:

Thank you very much for your letter of 6 September 1956 in reply to my letter of 25 August, regarding a two-week active duty tour for Major Walter L. Pforzheimer. I greatly appreciate your willingness to provide training for Major Pforzheimer.

It is my understanding that orders are presently being cut to bring Major Pforzheimer to active duty with the Air University on Monday, 1 October 1956. He will arrive at Maxwell on 30 September. We will make certain that an advance copy of his orders will precede him.

With kindest regards,

Sincerely,

Dear Bearre':

In reply to your letter of 25 August 1956, Air University would be pleased to provide training for Major Pforzheimer during his two-week active duty tour this fall. I am sure that we can arrange for him to study the books and material in which he is interested.

The duty orders should attach Major Pforzheimer to Headquarters Air University, with instructions to report to the Reserve Affairs Officer, DCS/P, Room 226, Building 800, Maxwell Air Force Base, Alabama. Since he will be dealing with classified documents, his security clearance should be included in the orders. From our standpoint, this duty could be performed anytime during the period 15 September - 1 December 1956.

We would appreciate a copy of the assignment orders in advance so that necessary administrative processing may be initiated prior to his arrival.

Sincerely,

S/

D. C. STROTHER
